**Re: Manjarres et al v. Solar Mosaic, LLC et al, Case No. 1:24-cv-07714-AT  
Mpower's Letter Motion for Extension of Time to Respond to Complaint**

Dear Judge Torres:

Pending this Court's ruling on my motion to appear Pro Hac Vice, I represent Mpower Energy LLC ("Mpower") in the above-referenced matter. With Plaintiffs' consent, Mpower respectfully requests a two-week extension of time, until December 6, 2024, to respond to the complaint. In support of this request, Mpower states as follows:

1. Mpower's current deadline to respond to the complaint is November 22, 2024.
2. This is Mpower's first request for an extension to respond to the complaint.
3. Mpower requests the two-week extension because Mpower needs additional time to review the underlying issues and appropriately respond to the complaint. Mpower also requests time to determine if early resolution is possible.
4. Plaintiffs, through their counsel, consents to the extension.
5. No other dates have been scheduled in this matter.

Thank you for considering this request.

Respectfully submitted,
